## SWIMMING SUCCESS

**In Term One of 2021 the Sacred Heart relay team of Hallie, Kayleigh, Felicity and Tom, incredibly won the small schools race at Diocesan in Tamworth. They were up against one other team and they won by quite a bit.**

**In Sydney at the Polding trials, the Sacred Heart relay team once again took out the win and recorded a personal best time.**

**The team qualified for the PSSA Championships which were also held in Sydney. Sadly, the Sacred Heart relay team did not take out the win, but they did get second place! They swam really well plus they once again got a personal best time.**

**The whole Sacred Heart relay team did a really amazing job! All up they got two medals, a silver from State and a gold from Polding, and they also got a 1st ribbon from Dio.**
