Enacting our Living Vision 	<p>Our Living Vision provides an opportunity for our school and community to identify how our School Vision is enacted each day. The following examples have been articulated by the staff over the past two months.</p> <p>Belonging The staff trivia afternoon was a wonderful example of how all the staff at Sacred Heart work together to build an inclusive and accepting environment. We laugh together and enjoy each other's company. We are so fortunate to have such an amazing place to work.</p> <p style="text-align: right;">Kate Williams</p> <p>Partnership Our school closure day gave the staff the opportunity to collaborate on our behaviour curriculum. The rich discussions in such a supportive environment demonstrated how we can all learn together.</p> <p style="text-align: right;">Kate Gannon</p> <p>History Knowing history and teaching the importance of the messages it conveys. This week, the students reflected on the significance of ANZAC Day and the symbolism characteristic of the day. A special assembly commemorated the loss of life and sacrifice made by others during war.</p> <p style="text-align: right;">Kim Dalmau</p>

	<p>During our curriculum planning day, the Sacred Heart staff worked collaboratively to explore and develop the behaviour curriculum currently being implemented at Sacred Heart Primary School. Staff investigated how we respond to student behaviour and what we consider to be minor and major behaviours. These documents will assist teachers when responding to an incident and how parents will be informed, which will usually be through a phone call and potentially a student reflection 'Ways of Being Together' form. The 'Ways of Being Together' reflection form is an excellent resource to assist students with having a valuable conversation at home. This may include reflecting on the importance of making good choices and considering different strategies when facing a difficult situation.</p> <p>Towards the end of Term 2, students' will receive their Semester One school report which will be assessing students against two new sections:</p> <ul style="list-style-type: none"> • Ways of Being Together at Sacred Heart Primary School • Commitment to Learning
