

Autism for Parents

Online training course

Free Online learning for parents/carers

Autism for Parents is a free online learning course aimed at the parents and carers of children with autism.

This self-paced learning contains several modules providing information and strategies to better understand and assist a child with autism. It also contains lots of videos of parents talking about the issues that concern them most and provides fantastic insight for anyone who supports a child with autism.

To register:

Use the QR code, or the link below, to access the 'Parent's courses' page on the OLT website <https://aus.oltinternational.net/courses#parent-courses>

Course Modules include:
