

Semester One Examinations – Year Ten

The Year Ten Examinations commence on Tuesday 7th June and students are only required to be in attendance at the College for their scheduled examinations. As there are two exams scheduled on this day, any student that has indicated their preference to remain at the College between examinations, will attend a (supervised) private study in Period 3 and 4 on this day. If a student is unable to attend an examination due to illness or injury, the parent/guardian/carer must inform the College as early as possible, and a medical certificate must be provided upon return to the College.

At the discretion of the Subject Teacher and/or the Head of Learning, a student may be allowed to complete a scheduled 'Catch-up' Examination, and this will be determined on the merits of the individual request and may also be referred to the Deputy Principal as required.
