

Photographing, Filming and Recording Students at Lyndale Secondary College

Annual Consent Form and Collection Notice

During the school year there are many occasions and events where staff may photograph, film or record students participating in school activities and events. We do this for many reasons including to celebrate student participation and achievement, showcase particular learning programs, document a student's learning journey/camps/excursions/sports events etc, communicate with our parents and school community in newsletters and on classroom blogs/apps/, and other school related activities.

This notice applies to photographs, video or recordings of students that are collected, used, and disclosed by the school. We ask that any parents/carers or other members of our school community photographing, filming or recording students at school events (e.g. musical performances, sporting events, College events) do so in a respectful and safe manner and that any photos, video or recordings ("images") of students are not publicly posted (e.g. to a social media account) without the permission of the relevant parent/carer.

If you do not understand any aspect of this notice, or you would like to talk about any concerns you have, please contact our school by phone on 9795 2366 or via email lyndale.sc@education.vic.gov.au.
