WHAT'S BEEN HAPPENING

Dear families,

Last week, our children celebrated the arrival of spring with an explosion of creativity and imagination! They embraced the season by drawing and painting beautiful works of art, showcasing their unique understanding of spring's magic. Our spring VAC display corner is filled with their collaborative masterpieces, capturing their hopes and excitement for this time of year.

In addition to their artistic endeavors, the children enjoyed fun activities like a scavenger hunt, planting beetroot seeds, and going on spring walks, giving them a great chance to connect with nature.

For this week, we have a mix of exciting outdoor and indoor activities planned, including paper airplane challenge, balloon game, Klask (board ball game), creative painting, giant skipping rope, Aussie trivia, charades, and many other fantastic games!

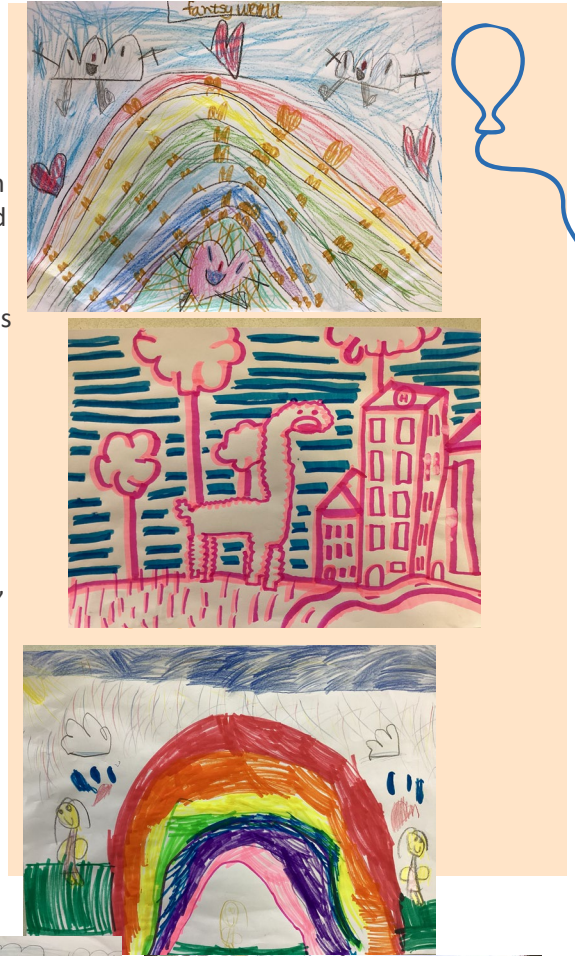

We're excited to continue fostering creativity, teamwork, and exploration as we dive into another fun-filled week of learning and play.

Hope you all have a great week!

Kind regards,

Eric
