OUR NEW 2-YEAR BACHELOR OF COMMERCE

Five-star rating

For Learner Engagement and Student Support for Accounting, Business and Management. ¹

Strong job growth

For careers in accounting, advertising, finance, human resource management and management. ²

First university

In WA to offer SimLab™, an immersive, virtual reality platform to prepare you for real-life HR experiences.

As part of this new degree you will be highly immersed in professional practices, including a Professional Business Practice major across the length of the degree.

Professional Accounting

Learn how to identify business opportunities, analyse problems and put solutions in place. Explore accounting principles relevant to issues affecting organisations and support organisational success.

HR Management and Analytics

Learn recruitment techniques needed in an evolving digital landscape. You'll explore performance management practices, conflict management, remuneration and how to use human resource metrics and analytics to make business decisions.

Are your Year 11 & 12 students thinking about studying for a Bachelor in Business or Commerce?

If so, we would be more than happy to come along to talk to them about this new degree, and give them the opportunity to talk with one of our current students about their experiences of studying business at Murdoch University, contact us at engage@murdoch.edu.au

A DRUG AND ALCOHOL FREE EVENT FOR HIGH SCHOOL STUDENTS

SAFETY AND SECURITY

SATURDAY 28 AUGUST

2PM – 9.30PM

@RAC ARENA

SOUNDONFESTIVAL.COM.AU

MU Murdoch University

If you're working with teenagers, by now you probably would have heard about Sound On Festival, Perth's best music festival for high school students. The thought of teenagers attending a music festival may seem a little daunting, and you may have a few hesitations about the safety and security of the event. To make you feel more comfortable endorsing students' attendance, we've pulled together four key things you should know about Sound On.

It's run by a University

Murdoch conduct things like school visits, exhibitions, and open days, so we know the importance of creating a safe and enjoyable experience for students of all ages and take our duty of care very seriously.

RAC Arena is a secure venue

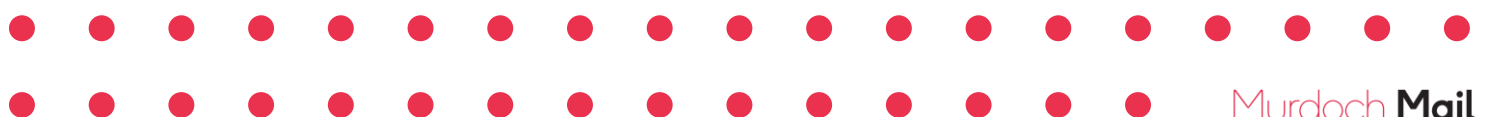

Sound On Festival is at RAC Arena in Perth. RAC Arena is a secure venue, with security staff throughout. Patrons are subjected to bag checks and under no circumstances are allowed to bring in any prohibited items.

The Red Frogs will be there

Red Frogs are pros at helping keep underage events drug and alcohol free, and safe for everyone. On the day they'll hang out in all areas making sure everyone's having a good time.

Strict age limit and a drug and alcohol free event

Sound On is run only for high school students between Years 7-12. There will be ID checks at all entrances to make sure no people outside this age range will have access to the venue.
