Dottie Paterson

Year 7

Do you prefer
print, ebook, or
audiobook?

I prefer print most of the
time but if the book is
quite long, I love listening
to it as an audiobook.

Do you have any reading rituals?

I try to read every night
for half an hour and
before school for 15
minutes.

Do you track your reading?

I have a reading checklist with the books I hope to read and tick them off.

I also write in my English book sometimes about my books.

Recent
favorite
book?

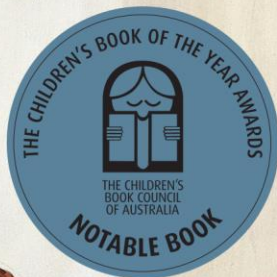

I really enjoyed 'They both die in the end', I have just finished reading it.

'Life, family and friendship at twelve – all the messy bits included. I love this book.'
