Sep/Oct Vacation Care:

Dear Parents,

We would like to welcome new children and families who have joined our Vacation Care community. We hope you enjoyed your time with us and look forward to seeing you again in the future!

We would also like to welcome back all of our existing families. It's great to see so many familiar faces and we appreciate your commitment to our service.

The children enjoyed having the opportunity to make new friends from a variety of different schools and develop their social interaction skills and develop independence.

During the school holidays we were very excited to be able to go on 3 excursions and have 1 visitor. The excursions included the Adelaide Gaol, Bounce and the Movies. Unfortunately the service had to cancel the Adelaide Zoo due to wet weather, however the service will re-book this excursion in the next holiday period. The visitor that came was 'Giant Inflatable Soccer' which was a huge success!

During our in-days the children participated in a variety of activities such as plasticine modelling, creating dinosaur headbands, digging for dinosaur fossils & gems, playing on technology and creating paper lanterns and dragons. The children are also encouraged to take part in free choice play on the oval, playground and in the gym .

The activities run during the school holiday program aim to provide stimulating, engaging and interesting experiences for all children. Our program aims to build children's confidence, develop their social skills, refine their fine and gross motor skills and ignite creativity!

Overall the September/October holidays resulted in lots of fun, laughter and creativity!

Feedback:

The service values your feedback and ideas. Please feel free to email any feedback to info@lnpsoshc.org.au
