HAYMAN THEATRE ARTS OPEN NIGHT

6pm, Monday 21 August 2023

A photograph of a stage performance. The scene is dimly lit with a strong red light source, creating a dramatic atmosphere. In the foreground, the lower legs and feet of several people are visible. On the left, a person is seated in a wheelchair. The background shows a stage floor and a line of red lights. The overall mood is theatrical and intense.

Why choose to study Theatre Arts at Curtin?

Theatre Arts at Curtin is taught by practising theatre professionals who specialise in acting, directing, devising, design and production/stage management. It is the longest operating tertiary theatre course in Western Australia.

The Hayman Theatre Company is the showcase for students studying Theatre Arts at Curtin. Every year it produces four major productions where students work with professional theatre artists, and as part of its Lunchtime and Sunday Night Theatre programs, up to 20 works are directed, written, designed and performed each year by the students of Theatre Arts.
