

To Mrs Wittig

I am kind of worried because the bees nest  
fire is getting closer to our house and  
the smoke might be carrying embers and  
the winds are getting faster so we  
had to water our wooden deck ~~if~~  
the embers hit the deck and started  
a fire also we have been watering  
our back and front lawn so it doesn't  
catch on fire either.

Another thing that happened  
was that our auntys house  
burned down and dad helped  
build it and is very sad that it  
got burned down and it is
