

JEHOVAH JIREH

NOVO is a statewide church camp for students in years 7-12, run by Blueprint Ministries. Camp involves delving into Gods word, spending time in worship, playing fun games and making friends along the way!

JEHOVAH JIREH, or 'The Lord provides' in Hebrew, is spoken by Abraham when God provides a sacrifice in place of his son.

We'll dive into **Matthew 6**, which unpacks how God has provided for His people, and how He continues to provide everything that we need and so much more!

Cost \$185
