

PORT MELBOURNE TEAMKIDS NEWSLETTER

WHAT'S BEEN HAPPENING

Dear TeamKids Families,

As we wrap up an exciting Term 2 and prepare for Winter Vacation Care, we would like to celebrate the wonderful experiences and achievements children have enjoyed over the past two weeks.

Children participated in a variety of collaborative and team-building activities that promoted social connection, communication, and problem-solving skills. Popular games included UNO, Connect 4, tennis, and Twister, providing opportunities for children to build friendships, practice teamwork, and develop confidence through play. Outdoor activities, including tennis and Twister, supported physical wellbeing through movement, balance, coordination, and gross motor development.

With the excitement of international soccer in the air, children also took part in a World Cup Soccer Tournament. This highly engaging experience fostered teamwork, sportsmanship, inclusion, and leadership. Children worked together in teams, developed their soccer skills, and embraced the spirit of friendly competition while demonstrating fairness and respect for others.

Creativity and sustainability were also key focuses this fortnight. Children participated in a sustainable craft experience by designing and creating World Cup-themed artwork using recycled cardboard materials. Through this activity, children explored environmentally responsible practices while strengthening their fine motor skills, creativity, and imaginative expression.

Thank you to our families for your continued support throughout the term. We look forward to seeing many of you at our Winter Vacation Care program, where more exciting adventures, creative experiences, and opportunities for fun and learning await!
