Claire is a mother of four and has 27 years of parenting experience. Life at school was not great as she was told she was not smart enough. Claire finished Year 12 at TAFE and has completed two master's degrees and 2 post-graduate degrees. Negative teachers in Claire's life made her more determined to achieve what she wanted. Claire received High Distinctions throughout university whilst supporting two young children. Claire then left her previous job in order to pursue a more challenging career that provided her with greater opportunities. Claire was employed to show children that they can learn and to help teachers with data pertaining to Learning and Teaching. Claire works out what kids need and how they can best achieve it as she wants what is best for them. Claire encourages teachers to use the data. Claire then mentioned the gap in NAPLAN from Grade 5 to Year 7 and suggested we compare our results to surrounding schools. Claire emphasised on support for children and proposed explaining data points on the Year 7 Introduction Night.

Principal Report: **Matt Williams**

Project Compassion commenced on Shrove Tuesday. Matt stated Swimming Carnival was a success at both campuses. Golf day was a success. Harmony Day was a success, with the teachers beating the students in the annual Student vs. Teachers Cricket Match. Sharron Clover from the Advisory Committee will now be the representative from the PTF. April and Naomi have the Bunnings Sausage Sizzle under control. Excess non-perishables will go to St Peters Day. The full amount of the car raffle is donated back to the school. Solomon Islands program not definite and as such the money may be delegated to an area of need. Matt discussed the Parental Code of Conduct. The policy was considered in great detail. This was overall well received despite a bit of confusion on working together.

General Business:

Parental complaints regarding Diary needing term dates and a planner. Printing of the diary is done so early in Term 3 that it cannot be finalised and the dates are subject to change due to this. April indicated she would do a PDF of Key dates and have it available on the website.
