Entry

- One Entry Per Form - Each entry you complete is for a single section/ entrant. You must complete a new form for each section you wish to enter.
- Handbook to Register - Please have the Handbook with you as you enter your registrations to ensure you have selected the correct sections. Use this [link](#) as a guide if you need to determine what Network your school is in.
- Changes to an Entry - You have the option to start an entry and complete it at a later date - please note once registrations close, no changes can be made to any entry. If you have entered any details incorrectly - including the Section - your only choice will be to proceed with the entry or withdraw.
