MARCH 31 - APRIL 2, 2022

This performance is approximately 70 minutes in duration without an intermission

Welcome

It's hard to believe *Disney's Aladdin* was released thirty years ago. It sometimes feels like our production has taken just as long to get onto the Rivergum stage!

We have no doubt you will be impressed with the students who bring the production to life.

A favourite theme in *Aladdin* is the trust we find in friendships. It's been a privilege to see so many of our cast and crew become good friends in recent months, sharing in the excitement of putting on a show - **together**.

The cast have rehearsed over 170 hours, supported throughout by a team of enthusiastic and committed teachers - Annie Lingard, Anna McRae, Paola Guerra Marin, Stephanie Dimitriou and Brad Andrews.

To enrich the learning experience, our students have experienced working with industry costume designers, makeup artists and technical specialists to make this show something very special.

Hampton Park Secondary College values the arts and appreciates how the experience of being involved in a production such as ***Disney's Aladdin Jr.*** helps to create skilled, accomplished and happy young people.
