YOUTH ADVISORY  
COUNCIL WEST TAMAR

# FOOTGOLF AT THE RIVERSIDE GOLF CLUB

Footgolf uses the same model as golf, with a fairway, tees, hazards and 9 holes of play. The main difference between footgolf and golf is the size of the holes, usually shorter fairways and the lack of golf equipment, and obviously the ball! Bring a drink bottle, activewear and footwear (no soccer boots allowed). (please note, that it can actually be a bit tiring too!)

## **Living with Covid-19**

The risk of contracting COVID-19 in Tasmania through person to person transmission continues to increase, and the safety and well-being of staff, Councillors, volunteers and the community, is our top priority. Council's Youth Program's key strategies against COVID-19 and to assist families to stay healthy include:

- Promoting personal hygiene and cough and sneeze etiquette
- Additional cleaning (especially of frequently touched surfaces)
- Encouraging physical distancing
- Supporting staff and families to stay home if they are unwell
- Supporting those who are more at risk of severe illness if they contract COVID-19
- Looking after the psychological wellbeing of young people, their families and our team.

### **Cancelling Youth Programs**

Temporary shutdown of youth programs may occur when a confirmed case of COVID-19 is identified at a site resulting in shortage of staff. All participants booked in will be notified prior to the activity. Refunds can be arranged according to Council's Terms and conditions.

### **Attending Council's Youth Programs**

Young People should not attend any of Council's programs and activities if they feel unwell with cold or flu-like (or hay fever) symptoms including:

- fever
- runny nose
- cough, sore/itchy throat or
- shortness of breath.

Young People should stay home and you should phone your GP or the Public Health Hotline on [1800 671 738](tel:1800671738) for a referral to be tested for COVID-19. Young People should only be returning to Council's Youth Programs once their symptoms have passed and in accordance with Public Health advice. If your child has serious symptoms, such as difficulty breathing, call Triple Zero ([000](tel:000)).

### **Mask Wearing**

It is a requirement that all young people over the age of 10 come prepared with a mask at all activities. Masks are required to be worn when indoors, in transit and when in close proximity of others. Masks are not required to be worn outdoors unless physical distancing of 1.5 metres cannot be maintained. Individuals are responsible for providing their own mask.

### **Close contact**

Changes to the definition and requirements of close contacts are being made from 1 January 2022, in line with national changes. You will be considered a close contact if you have spent four hours or longer with a COVID-19 case in a household or household-like setting, and required to quarantine for seven days regardless of vaccination status and have a rapid antigen test (RAT) on days one and six.

### **Transport**

All staff and young people are required to wear a mask whilst travelling in Council provided transport. All people must sanitise upon entry and exit of transport. All people are encouraged to sit in separate rows where possible.
