Buses replace trains on the Cranbourne and Pakenham lines

Wednesday 27 July to Sunday 7 August

We're removing level crossings on the Pakenham Line

As part of Victoria's Big Build, we're removing the level crossings at McGregor Road, Main Street and Racecourse Road in Pakenham.

We'll build a rail bridge over the roads and deliver new stations at Pakenham and East Pakenham.

Removing these three level crossings will improve safety, reduce road congestion and allow more trains to run more often. This work will also create new open space for the community to enjoy.
