19 February 2026

Dear St Joseph's College families

Construction Induction Card for Work Experience Students

Under the Occupational Health and Safety Regulations 2017, the college must ensure that students undertaking work experience in the building or construction trades, have completed construction induction training before they begin their placement.

Therefore, we are offering students the opportunity to complete this one-day course delivered by Runnymede Safety. This opportunity is limited to students who intend to undertake work experience in 2026. Please refer to the Work Experience letter for further information.

- Date:** **Tuesday March 10** (Student Home Study Day)
- Time:** 9.00am - 3.00pm. Students need to arrive at 8.45am.
- Location:** M15, Enright Campus
- Cost:** The cost of this course is included in the Global School Fees.

Students are permitted to wear casual clothes on this day and are required to bring their student ID card, USI number, bottled water, a pen, recess, and lunch.

Students' email addresses will be sent to Runnymede Safety to complete their enrolment. On successful completion, students will receive the Work Safe Construction Induction Card.

Please indicate your child's participation in the Construction Induction Training by consenting to attendance via the Parental Access Module (PAM) by Friday 27 February.

Should you have any queries, please contact Ms Fiona Dimasi, Careers Practitioner at the college on 5018 8000 or email fdimasi@sjcnda.vic.edu.au.

Yours sincerely

Mr Mel Ficarra
Head of Senior Pathways
