

Get in to Mining

Field trip for High School Students

24th - 27th Sept 2024

The WA Mining Club, in co-operation with Curtin University, has developed together a free three and a half day camp for high school students in Years 10 to 12 to get a first-hand look at what the mining industry has to offer. Students will have the opportunity to rub shoulders with industry veterans whilst visiting some state-of-the-art facilities.

Day 1: Introduction and Travel

Students will meet at Curtin University and enjoy a site tour, before travelling to another site in Perth. Students will then travel to their accommodation.

Day 2: Site Visits

On Day 2 the students will visit their first set of sites in the South West. In the evening, the group will then attend a learning focused session.

Day 3: Site Visits

On Day 3, the students will visit another set of sites in the South West.

Day 4: Final Site Visit and Return

On the final day, the students will visit one more site before returning to Perth. When they arrive back in Perth, they will visit a final training centre before returning to Curtin.

Get into Mining is a free program with meals, accommodation and transport included.

Students will need to organise transport to and from Curtin University.

This program is open to all students in years 10, 11 and 12.

To apply, please scan the QR Code or click the link below.
