WHAT'S BEEN HAPPENING

What a fun week at TeamKids!

Dream Catchers

The children loved making dream catchers, each adding their own creative twist – some designs were almost gallery-worthy!

Pancake Day

We finally nailed the pancakes! Colorful pancakes with a rainbow of fruit were a hit, and many children went back for seconds (and maybe even thirds!).

STEM – Storm Drain Challenge

Children explored problem-solving and teamwork as they experimented with the “Storm Drain Challenge.”

Race Challenge

Some children are taking part in a friendly race challenge, recording their times each week to beat their personal best – a little healthy competition always adds to the fun! We love seeing the children explore, create, and have fun together. Can't wait for next week!

NEWSLETTER

Dear Families,

We'd like to take a moment to remind everyone about our safety and attendance procedures, which are in place to ensure the wellbeing of every child in our care. When children are collected after school without notifying the service, our educators must follow a structured process to locate and confirm each child's safety. This can include contacting the school, checking multiple areas, and contacting families. While this is essential for child safety, it can be time-consuming and may temporarily delay follow-up for other children.

To help us keep all children safe and ensure smooth operations, we kindly ask that families:

Notify TeamKids if your child will be collected after school or will not be attending that afternoon – a simple text is all that's needed to 0432 581 665.

Understand that attendance checks take time – these procedures are thorough to make sure every child is safe.

Be aware that when multiple children need follow-up, it can delay the next child being accounted for – following the process carefully is essential for the safety of all children.

Thank you for working with us to keep every child safe and accounted for. Together, we can ensure a smooth, safe, and happy day for all children.
