

Drop-Off & Supervision:

This is a drop-off event.

Parents and carers are not permitted to stay. The event is organised by the NLPS Parents' Club and supervised by approved parent volunteers. Teaching staff will not be in attendance. Parents are not permitted inside the gymnasium unless they have registered as a volunteer through the volunteer sign-up link.

To sign up as an official volunteer on the evening - [CLICK HERE](#)

All volunteers MUST hold a valid Working with Children Check and must have completed the Child Safe and OH&S inductions prior to the event.

Medication:

If your child requires any medication (including Ventolin, EpiPens, or insulin), this must be provided from home and carried by the child on the night.

Pick-Up Policy — Safe-Child Exit Plan:

Parents and carers must collect their child directly from the gymnasium at the conclusion of their session. **Students are not permitted to ride/walk home on their own or leave the disco without a parent/guardian.**

A child may be collected by another parent or carer only if this has been **pre-arranged with the family**. Please ensure your child knows who will be collecting them. No child will be released without a known adult guardian present.

At the end of each session, students will collect their belongings and sit on the gymnasium floor until their adult guardian arrives at the designated exit. All other doors will be locked during the event for child safety. Door supervisors will assist with an orderly exit.

Parking:

The area around the school will be congested during session changeovers. Please allow extra time and plan your drop-off and pick-up accordingly.

Noise & Sensory Considerations:

The disco will involve loud music and an energetic, stimulating environment. A quiet breakout room (the Music Room) will be available throughout the event for any students who need a calm space, with colouring activities and parent volunteers present. Students may move between the dance floor and the calm room freely as needed.

If your child has noise sensitivities, we recommend bringing kids' ear defenders or earmuffs from home.

Photography & Recording Policy:

A friendly reminder regarding images taken by the school community, in accordance with our school policy (the full policy can be [here](#)).

NLPS endeavours to respect the privacy of all members of our school community and formally requests that parents/carers, students and invited guests do not photograph, film or record school performances, assemblies, sporting events and other school-approved activities, besides images of their own children. If you do happen to capture another NLPS student/s in your images, NLPS requests that parents/carers, students and invited guests who have taken the image do not publish the images in any form, including on social media, without the prior consent of persons whose children also appear in the images.

Thank you for your understanding and cooperation.

Snacks (Cash Only):

Snacks will be available for purchase during the event. Please send your child with small change if they would like to buy something.

No drinks will be sold - ***please send your child with their own water bottle.***

- Assorted Chips - \$1
- Popcorn - \$1
- Freddo Frogs - 50c

By purchasing a ticket you acknowledge and agree to the above event terms, supervision arrangements, and pick-up policy.
