

Volunteer Buzz,

For those who don't know, the Volunteer Skillsbank is located at The Centre in Chisholm Street in Wangaratta and is also Nunn Street Benalla but we operate all through the Hume region. What we do is match up volunteers to not-for-profit organisations through using an online database which assist volunteers to find the perfect volunteer role and not-for-profit organisations to find the perfect volunteers. We can open up a world of opportunities you never knew were out there, the possibilities in volunteering are endless. We have volunteer positions fishing the local waterways, operating an emergency services radio, in administration, protecting the environment or you may feel you have what it takes to sit on the board of a not-for-profit organisation and these are just a few of the roles available.

Not-for-profit organisations can sometimes have difficulty finding the right volunteer, with the enormous number of volunteers we have available we are able to match volunteers to almost any role. We have volunteers with all sorts of qualifications, experience and skills registered with us so we are able to match the right people to the right role.

We provide a free service and if you would like to have a chat about anything to do with volunteering or would like some assistance to register or discuss a role just give us a call. You can also hop online at www.nevictoria.skillsbank.com.au to register and there is also a huge list of volunteering opportunities to have a look at. If you need any help or would like to discuss anything just give us a call or drop us an email.
