

## Kiki and Zuki

Come along to a captivating intergenerational shadow puppetry theatre experience for children and adults to celebrate Cultural Diversity Week.

Inspired by artists Youbi Lee and Taka Takiguchi's own migrant journey of navigating life in Australia, the tale follows a creature from the moon and the earthlings who use different ways of communication.

Through a mesmerizing fusion of shadow puppetry and performative storytelling, Kiki and Zuki innovatively weaves together a tapestry of emotions and experiences of migration.
