UNIVERSITY

Macquarie University's free service to kick-start students' careers

Macquarie University equips their students to be job-ready by supporting them through the MQ Student Employment (MQSE) service. Whether a student is searching for work on or off-campus while studying, MQSE provides Macquarie students with access to job opportunities and coaching sessions to get them comfortable and confident in the recruitment process. Situated in the heart of Australia's largest high-tech precinct, Macquarie students can network and find employment with partner organisations! Find out how Macquarie University has helped their students [here](#).

Want to do a STEM Degree at Uni? Here are 8 things you need to know

Here are 8 things you should know. Making the leap from school to university is exciting but can be a steep learning curve. To help you get into the swing of things, we've put together this handy guide.
<https://careerswithstem.com.au/guide-to-university/>

Why choose a Double Degrees?

If you're looking at courses, you've probably heard of double degrees and know (roughly) what they involve. But why would you choose one? Find out three of the most common reasons. Some universities offer their own combinations; others may allow you to choose a combination of your choice. Keep in mind, too, that double degrees are not just the domain of undergraduate study. Many combinations are available at postgraduate level – even in MBA programs, such as an MBA combined with a Master of Professional Accounting.

TAFE

TAFE NSW –Fee-free Apprenticeships

Becoming an apprentice or hiring an apprentice just got 100,000 times easier. That's the number of new apprentices that will have their qualification fees funded by the NSW Government. They've recognised that apprenticeships and skilled tradespeople are the backbone of our state and they are committed to creating a pipeline of skilled Australians to build a better future.

View [TAFE NSW apprenticeships and traineeships information](#).

[How Fee-free* Apprenticeships work](#)

The NSW Department of Industry will pay the student fee on behalf of any apprentice who commences their apprenticeship training. The fee will be paid directly to TAFE NSW.

JOB OPPORTUNITIES

Shout out the St Pats Old Boys that are completing a University course this year or in 2022 or 2023. Samsung are looking for 3 graduates to start a 12 month accelerated program in January 2022. They have reached out to the school so I can forward this information to anyone that may be interested in applying for this opportunity.

Samsung Graduate Program – Management Support and Customer Service

Want to create new things and break boundaries? Samsung Australia Graduate Program 2022 is a 12-month accelerated program, which will provide exciting opportunities for high calibre graduates who seek to explore an international career in a truly dynamic organization.

Role and Responsibilities

Samsung Australia is currently looking for 3 aspiring graduates to join the Management Support (MS) and Customer Service (CS) departments in a graduate program, kicking off in January 2022. Trainees will develop and gain valuable professional experience through various specialties within the fields of MS and CS, and more specifically the following 3 business units:

- Customer Experience, Social Platforms team
- Business Support, Finance team
- Sales Support, Procurement team

These roles will mostly have a focus on business and customer support based initiatives, with an exposure to areas including, but not limited to:

- Sales Administration and Procurement
- Finance and Business Support
- Management Accounting
- Financial Planning and Analytics
- Customer Service Compliance and Audit
- Customer Experience and Social Case Management

Skills and Qualifications

To be successful for the program, you should be:

- Passionate about working in a global leading tech company, with specific goals and interests in the above fields
- Tertiary education qualified - newly graduated or currently studying with expected graduation in 2021, 2022, or 2023
- An Australian citizen or permanent resident
- Proficient with MS Office applications
- Experience with Social Media platforms (where applicable)

What sets us Apart from the rest?

Samsung is a global leader in all things innovation - this opportunity will fast track your career. You'll be joining a talented team of energetic, passionate and hardworking people that are committed to the customer and delivering solid results.

You'll be offered training and development opportunities along with great employee benefits such as:
Health & Wellbeing initiatives
Free On-Site Parking
Employee discounts across a wide variety of Samsung products (which can be extended to family and friends)
A WFH policy, that allows one day per week of working from home

If you are interested send your resume to our recruitment team at:
evan.diab@partner.samsung.com
