## Around the Grounds

**6A**  
The 6As battled hard to defeat SLC 4-2 with everyone feeling the effects of a big day at Emu Gully. 2 goals each to Quinn and Aidan capped off an excellent team effort

## **6B**

The 6Bs travelled out to Runcorn this weekend to face a dogged SLC side, and although the boys didn't manage to come away with the chocolates, they showed plenty of fight and determination and should be very proud of their efforts.

A big training week this week will put us in good stead for the rest of the season!

## **6C**

On Saturday the 6C football boys showed no signs of fatigue from their excursion the day before. There were many outstanding individual performances on the day, but even more impressive was the team's positive chat and encouragement out on the field. Goal keepers Jack & Joe ensured that none of the opposition's attempts at goal converted. Well done boys!

## **6 Gold**

A good first effort from the 6 Gold football team. A slow start meant we were 2-0 down at half time, but great listening at the break saw the young men of this team in better field position throughout the second half. Although we didn't manage to hit the back of the net, the great second half effort meant we had a few shots on goal thanks to some long clearing kicks by Vincent Butten and passes down the sideline from Tate Morrison. Archie Langler and Ben Gilbert both worked very hard all over the field: their strong defence was combined with some slick passing that helped teammates get into good attacking position. Our goal for next week is to have everyone (not just a couple of players) following the ball down the field every time it's cleared.

## **6 White**

The mighty 6 White team suffered a defeat at the hands of SLC, going down 4 – 1. To their credit they lifted in the second half, and working as a team, were able to spend more time in the opponent's half, making a number of attempts at goal. Credit to Tom Dowl who scored our goal. after creating havoc for SLC, narrowly missing with another attempt. He was backed up by many players, especially Matt Henselien who managed to stay ahead of the pack and showed great skill. We look forward to a week of refining our skills ready for our next opponents.

## **5A**

A sluggish start from the Marist boys gave St Laurence's a foot in the game with a 3-0 lead at the break. After half time, Marist put in an inspired performance in the second half to claw a goal back and win the half.

## **5B**

The boys played exceptionally well having scored the first goal, but unfortunately conceded in the last minute of the first half. This led to a good defensive stand that resulted in no additional goals in the second half. All around, it was a good game of football.

## **5C**

The first half was a tight contest with both teams' defence holding firm, resulting in a 0-0 score line at the break. After the resumption of play, the Marist boys found their groove, making the most of some excellent passing and teamwork to score 3 consecutive goals to take the lead. St Laurence's scored one goal to briefly shift the momentum, but the Marist defence continued to

work hard and shut down the many attacking raids from a strong opposition, to hold on for a 3-1 win.

### **5 Gold**

5 Gold started well against Laurie's on the weekend, with a tough first half ending without a goal being scored. Two quick, early goals from SLC saw Marist on the defensive before they struck back. The 5 Gold's managed to fight their way back into the match and remain competitive, scoring a goal in the last few seconds to finish with a 2-3 loss.
