

# Junior School meeting minutes

At the junior school meeting we talked about the Free Dress Friday, money going to the bushfires. YES! That is happening in week 7 on Friday 13<sup>th</sup> March. It will be a gold coin donation as a fundraiser for the Bushfire Appeal. But you don't have to dress casually, you can come in uniform and you don't have donate.

Maeve and Leah from grade 6 came up with an idea for representative from JSC to make a short presentation at assembly each fortnight to tell the school what we talk about in the meetings. Next week, Maeve and Leah will present at assembly.

With new building happening, there is a little less space to play. JSC would like the teachers to decide if all the playgrounds except the Foundation and Year 1 can be shared by all students. Mr Kent will ask the teachers what that think.

JSC suggest that extra bike racks should be placed near the new building. When the new building is

finished, JSC will be involved in choosing furniture and new trees and plants.

This year there will be a walkathon. The JSC would like School Council to consider that the walkathon money go to purchasing / repairing new playground equipment. On the new playground equipment there will be new shade cloths. Also the basketball court with hoops will be available to use again.

Mr Kent will ask Mr McKay if he can find some balls to put outside at play times so students can borrow them.
