Marist 6A 31 def. St Laurence's College 14

Back to full strength, Marist 6A faced a determined St Laurence's outfit in what proved to be a more demanding contest than recent weeks. Despite the 31–12 scoreline, the match was a true test of composure and discipline.

Marist started brightly with returning hooker George Thomas crashing over for an early try, giving the home side early momentum. However, a string of handling errors and piggy-back penalties handed SLC valuable field position, which they converted into a try to level the scores at 7-all. To their credit, Marist settled well. The forward pack began to control the tempo, working hard at the breakdown and inching their way up the field. With a solid platform established, the backs found space, resulting in well-finished tries to Will Firouz and Noah Newman. With Newman also perfect off the tee, Marist entered the break with a 21–7 lead.

SLC struck quickly after halftime with a converted try that brought them back into the contest. But that was as close as they would get. Marist's forwards knuckled down again, dominating the contact area and starving the visitors of possession. The pressure paid off, with Newman crossing for his second try of the match and Will Carr crashing over late to seal a strong 31–14 win.

It was a mature performance from a side that continues to build confidence and cohesion. The team's ability to reset after early errors and take control through disciplined forward play was a key factor in the win. As the season continues, maintaining intensity and cleaning up small mistakes will be crucial in the pursuit of continued success.

6B

Marist 6B produced a commanding 54–7 victory over St Laurence's 6B in a game that highlighted both their grit and skill. The first half was a tough and physical contest, with Marist showing great resilience under pressure. Despite being tested early, the team held firm through determined defence and smart decision-making, setting the tone for what would become a dominant display.

In the second half, Marist lifted their intensity and took full control of the match. The turning point came through relentless defensive efforts, led superbly by Man of the Match James Midgley, whose tackling inspired his teammates and shut down St Laurence's attacking chances. The cohesion between forwards and backs allowed Marist to play expansive rugby, with eight different players crossing for tries — a true reflection of the team's unselfish style and growing confidence. Harry Gerraghty was clinical from the tee, converting all seven of his attempts.

This performance was a testament to the depth and unity within the Marist 6B squad. Once again, they demonstrated their ability to grind through tough moments and then capitalise with smart, team-focused rugby. With each player contributing on both sides of the ball, this was another reminder of what the team is capable of when they trust in their systems. With momentum building, the team now looks ahead to next week's challenge with confidence and focus.

6C

6D

The 6Ds travelled out to Tingalpa this week to play Villanova with the aim of responding to a tough result last week.

The boys were given the message to start fast and strong, and they did just that! Ashgrove ran out to 10-0 lead early off the back of some powerful carries from Luke Acworth and Finlay Given, while Sam Wiggins impressed with a pin-point cross field kick for Lucas French to score.

Up 17-5 at half time, this was by far the best 25 minutes we'd seen from this group all year. The defence was accurate and resilient, while the attack, despite wet conditions, ran smoothly.

The second half started well but unfortunately, despite their best efforts, the boys conceded tries late, including a heart-breaking match winner in the last minute.

The second half was definitely one that got away as a few key errors left opportunities at bay. Nevertheless, it was a 6D performance to be proud of against a C team. Lots to like and the 6D side is on the up!

Special mention to Jack Arnott, Alex Grealy, and Lucas French who all played out of position due to player absence. Each one looked completely at home and should be commended on their willingness to do what is best for the team.

5A

Saturday's clash between Marist 5A and St Laurence's was a hard-fought contest that kept spectators on the edge of their seats. The match saw both teams in a tightly contested battle, with momentum swinging back and forth throughout the game.

The first half was evenly matched, with both sides showing strong attacking flair and tough defensive grit. St Laurence's managed to edge ahead by halftime, leading two tries to one, despite Marist's determined efforts and solid ball control.

However, the second half was a testament to Marist's resilience and team spirit. The boys regrouped, lifted their intensity, and began to dominate possession and field position. Their efforts were rewarded with two well-worked tries and a composed defensive display that kept St Laurence's at bay.

A final score of 19–12 reflected a well-earned victory for Marist, showcasing the growth and determination of the 5A team. It was another strong performance in a developing season, with the team continuing to build confidence and cohesion each week.

5B Blue

The 5B Blue team took to the field with determination on Saturday, ready to face a strong opponent in what proved to be a thrilling contest from start to finish.

The first half began with a slow start, as both sides worked to find their rhythm. Despite a few early handling errors and missed opportunities, the team showed resilience, and by halftime the score reflected a well-balanced contest, locked at two tries apiece.

After the break, Marist returned with renewed energy and focus. The second half showcased a spirited and determined performance from the 5B Blue team, who lifted their intensity across the park. Solid defensive pressure and quick ball movement began to shift momentum in Marist's favour. In the final moments of the match, with scores close and the result hanging in the balance, the team produced a spectacular last-play effort. A well-executed kick and chase saw Marist cross for a thrilling try, sealing a memorable 22–12 victory.

This match capped off a run of impressive form, with the youngest members of the Marist rugby hive continuing to go from strength to strength

5B Gold

Despite a 57-5 loss, the boys showed another improved performance, continuing their steady development week by week. It was a tough day in the office, but their effort, attitude, and determination never wavered.

Henry Vos led the team with pride as captain, setting the tone with multiple covering tackles and strong work across the park, which led to a man of the match performance.

All the boys were willing to work for each other, which was obvious through their attitude in defence. The score line was not reflective of the boy's effort and the team can hold their heads high knowing they're building with every game.

5C

It was a great day on the field for the boys as they secured a well-earned 40–24 victory over St Laurence's College. This match marked a strong improvement in our defensive efforts, with the team working cohesively and showing real commitment across the park.

James Rennick was outstanding around the field, consistently making strong metres up the middle and proving a force in the ruck contests. His work rate and presence were second to none. Equally impressive was Cian Dillon, who lit up the sideline with his speed and footwork, crossing for four runaway tries in a dominant performance out wide.

Every player contributed to the win, and I am incredibly proud of the collective effort and spirit shown. We will continue to focus on tightening our play around the ruck at training this week, but the signs are promising.

To top it off, the boys delivered a thunderous Warcry at the end of the match—a moment of passion that will no doubt fuel their hunger for continued success. Well done, team!
