Join us for this 75 minute parent/carer webinar on gaming to:

- get an insight into why your teen loves to game and what healthy gaming looks like
- give you an understanding of the mechanics of game design that centre around engagement or compulsion
- support you with strategies that improve family dynamics when gaming is a point of tension
- give you the opportunity to get some specific advice and solutions from a gaming expert.

The webinar is hosted by Brimbank Youth Services and presented by Andrew Kinch from GameAware.
