### The Year 10 Booklist

Students taking only Year 10 subjects have a smaller booklist than those taking a VCE subject. This is done because many electives, Core Maths and Core Science provide students with support materials throughout the year.

Students with Year 10 subjects will therefore only require **some** book-listed resources for English and LOTE (French/Japanese) and an Education Perfect subscription if taking a LOTE subject. (Education Perfect subscription will be covered by JMSS for 2025)

## Resources requiring digital subscriptions:

Some subjects do require digital subscriptions from Edrolo and Education Perfect.

**Please note:** in 2025 JMSS will be covering the costs of these digital subscriptions for Edrolo video course content (this does not include the Biology Edrolo textbooks) and Education Perfect Subscriptions.

### 1. Edrolo VCE students enrolled in the following subjects will use Edrolo:

- Accounting Units 3&4 (video course content only)
- Biology Units 1&2, 3&4 (**textbook** and video course content)
- Please note: **Edrolo Biology textbooks** to be purchased separately by students via the Edrolo payment portal video course content subscriptions are covered by JMSS.
- Chemistry 1&2, 3&4 (video course content only)
- History Revolutions 3&4 (video course content only)
- Physical Education Units 1&2, 3&4 (video course content only)
- Physics Units 1&2, 3&4 (video course content only)

Biology 1&2 and Biology 3&4 **require the Edrolo published textbook** as well as video course content. Textbooks will need to be purchased directly from Edrolo (please refer to the Edrolo Information Sheet)

### 2. Education Perfect

Students studying **French or Japanese** in Year 10, Units 1&2 or Units 3&4 will use an *Education Perfect subscription*. This process will be facilitated by the French and Japanese teachers.

Please note that in 2025 JMSS will be covering the costs of Education Perfect subscriptions set up in their classes.

### Secondhand textbooks

Some secondhand textbooks are available from [www.sustainableschoolshop.com.au/](http://www.sustainableschoolshop.com.au/)

**NB: Please note that if you are doing this, check textbook editions closely.**

**This is important as some VCE study designs are changing for 2025.**
