

Medicine at Monash

Monash University is the only Victorian university to offer a Direct Entry medical program for students completing Year 12 as well as a Graduate Entry program leading to the same degree – Bachelor of Medical Science and Doctor of Medicine (MD).

Entry to this course is based on:

- Units 3 and 4: a study score of at least 35 in English (EAL) or at least 30 in English other than EAL; and a study score of at least 30 in Chemistry.
- UMAT - students must achieve a minimum of 50 for each of the three sections of this test to be eligible for consideration
- Multiple Mini Interview (MMI)

The first two years of the undergraduate degree are largely campus-based, although with some city and rural clinical placements. Years three to five are conducted in clinical settings, generally in hospitals and practices across metropolitan Melbourne and rural Victoria. Year five offers the chance for selective studies.

ADF GAP YEAR

The **ADF Gap Year** program provides an opportunity for young Australians, who have finished Year 12 (or equivalent) and are aged between 17 and 24, to experience military training and lifestyle whilst gaining new skills and pay over their Gap Year. The life skills and job training that students acquire during their Gap Year experience will be valuable regardless of what career you ultimately undertake. **Gap Year opportunities are available in the Navy, Army, and Air Force.**

Applications for 2019 open in March! **To find out more information about the ADF Gap Year program and to register to receive updates, please visit [ADF GAP YEAR](#)**

Career as an Air Traffic Controller

The **Good Universities Guide** states that *air traffic controllers manage the safe and orderly flow of aircraft into, out of and between airports in Australia and with overseas regions adjoining Australian airspace.*

Air traffic controllers may perform the following tasks:

- maintain radio contact with pilots to keep aircraft separated in 'corridors' of controlled airspace, on air routes and near major airports
- make sure that aircraft operate only on pre-arranged routes and altitudes
- use radar to monitor and control aircraft movements
- provide information and assistance to pilots and emergency services during in-flight emergencies.

Air traffic controllers must –

- be able to make quick and accurate decisions
- have an aptitude for working with computers
- be confident, highly responsible, self-motivated, and independent, but also be able to work in a team

To become an air traffic controller, students should gain their Year 12 with passes in English, mathematics, and a science subject (preferably physics).

To find out more regarding the various ways of becoming an air traffic controller, visit [The Good Universities Guide - Career as an Air Traffic Controller](#)

Australian
National
University **News from ANU**

➤ **New Pathways to study at ANU**

The Australian National University (ANU) recently introduced the following **pathway programs** to prepare students for entry into Bachelor-level study:

- [Diploma of Creative Arts](#) – pathways into the [Bachelor of Design](#)
- [Diploma of Music](#) – pathways into the [Bachelor of Music](#)
- [Diploma of Science](#) – pathways into the [Bachelor of Science](#)

➤ **Bachelor of Health Science**

The **Bachelor of Health Science** at ANU delivers an interdisciplinary research-led and focused education that prepares graduates for career pathways in *medicine, allied health, health organisations* and *public service*. Besides being able to pathway into the Master of Public Health, and the Bachelor of Health Science offers an excellent pathway to the postgraduate [Doctor of Medicine and Surgery \(MChD\)](#) at ANU

without having to sit the GAMSAT. At the end of their second year in the Bachelor of Health Science up to 30 students will receive an offer of entry to the Doctor of Medicine and Surgery (MChD), contingent upon their grade point average (GPA), an interview process, and successful completion of the Bachelor of Health Science. Ten of the 30 places in the Doctor of Medicine and Surgery (MChD) program are reserved for rural and Indigenous students from the Bachelor of Health Science.

Further details can be found at [Bachelor of Health Science at ANU](#)

Bond University College

Located within Bond University's campus on Queensland's Gold Coast, **Bond University College** is fully integrated with the University's educational structure and lifestyle. **Bond University College** provides pathways to undergraduate study, including English language programs. **Bond University College** offers a range of diplomas which pathway to bachelor courses, and ATAR requirements are lower for diplomas than for bachelor degrees - [Bond University College Diplomas](#). Successful completion of a Diploma guarantees students a place in the undergraduate degrees at Bond University, with a possible 80 credit points credited towards their new program of study.

As full members of the University community, Bond University College students enjoy access to Bond's libraries, IT resources and research facilities, as well as student support services, recreational facilities, and accommodation.

What is an Entrepreneur?

The **Good Universities Guide** states that an *entrepreneur refers to people in many different industries. The traditional view is of someone who establishes a business, often as a start-up, and builds it to success. Once the business develops and involves more employees, the entrepreneur will often take a position as a manager or high-level executive. Depending the trajectory of the company, the entrepreneur may then become a board member for the corporation.* Read more at [Good Universities Guide - Entrepreneur](#)
