Dear Parent/Guardian,

COFFEE TRAINING PROGRAM

Lilydale High School is providing training to students interested in learning Barista skills.

The purpose of the training is to introduce students to the grinder and coffee machine, allow them to use all the equipment and learn the sensory properties of coffee. Should they wish to develop their skills further, they will be given information about further training packages provided by Bean Around Town in Croydon.

This training will exempt the student from 1 double period during the week and will require them to do a follow up coffee service during a nominated recess in conjunction with Supper Club to qualify them for a participation certificate.

Once numbers have been determined the timetable for training will be developed and will be sent to all those who have expressed interest.

Please take into account any dietaries or health issues when it comes to the consumption of caffeine.

Please complete the Expression of Interest slip below and return it to the general office by **Tuesday May 1, 2018.**

Yours faithfully,

PETER ROSS
