<u>DISCOVER</u>	<u>LEARN</u>	<u>PLAY</u>
 <p>The <u>amazing</u> chemical reactions by doing science experiments.</p>	 <p>About the importance of different cultures.</p>	 <p>With all the different activities around the room.</p>

STAR OF THE WEEK!

BONNIE

For always playing with the younger children and making sure they are involved and happy.

So far this term we have done a lot of fun and exciting activities, including science experiments and creating our own hama bead creations.
 This week at Extend we are starting to decorate our room with Christmas decorations! We are creating a space in the room where we can get into the Christmas spirit! All children are encouraged to collaborate and add their spark to the room.

Emily Figg
 Service Coordinator
