

SUPPORT THE CYPRIAN

Old Boy donations doubled until 31 August

Uniting
**to raise \$300,000
for the Cyprian Pavilion**

It's our time to shine Old Boys! By supporting the completion of the Cyprian refurbishment, you are leveraging your donation in three ways:

- 1) It's worth double until 31 August 2024
- 2) The Cyprian is an income generator for the College
- 3) As a venue for Old Boy events, the Cyprian also generates income for the MCAOBA.

Designed by Old Boy Jim Crawshaw back in the 80s, the original building's 'good bones' are the basis for a significant expansion, updated interior, sophisticated audio-visual technology, and a commercial grade kitchen.

Jim started the work. It's now up to us, the Old Boy community, to finish the job.
