

# YEARS 5, 7 AND 9 NAPLAN RESULTS

Preliminary NAPLAN results were released to schools last week and individual reports were issued to students to take home.

The NAPLAN results provide valuable information about student standards in literacy and numeracy. They will be used to develop future teaching and learning strategies with the overall aim of improving students' learning outcomes. Students' NAPLAN achievements are also compared to their school based assessments to identify any discrepancies.

It is very pleasing to see that our overall results are above state averages.

A quick snapshot of the results for each year is shown below.
