

Netball News

On Friday the 7th of May, Year 5 and 6 netballers headed off to interschool sports.

Last week, we played Saint Joan of Arc, Brighton. All netballers hopped onto the bus and drove to the sports venue. As we approached the school, we all got super excited for the match we were going to play.

The Green and Black team warmed up first and headed onto the court.

Quarters passed by as more goals went into the net.

The Green team had lost the game unfortunately, but they were all super proud of how their game turned out. Black team also had played 2 hard games, but had lost both games.

The Maroon team was up next, for the last game of the day.

After some helpful warm ups, they were all prepared. They played extremely well, especially James from the Maroon team, scoring 12 of the 15 goals!

The Maroon team had a great win and all enjoyed it a lot.

Overall, every netballer had so much fun competing and are all so excited for next week's game.
