WHAT'S BEEN HAPPENING

Dear families,

We've had a fun-filled week here at Team Kids! The room has been buzzing with activity, creativity, and lots of laughter.

Our juice bar has been a massive hit — Not only are the kids loving the refreshing flavors, but it's also been a fantastic way for them to build self-help and leadership skills. It's been wonderful to see them working together, taking turns, and learning more about healthy eating choices.

Another favorite this week? DIY sushi! The kids made their own delicious sushi rolls. It's been a great hands-on way for them to explore new foods and feel proud of what they've made themselves.

We also had a lovely moment of cultural learning as some of the children tried their hand at writing Chinese characters. It sparked lots of curiosity and patience.

Next week, we've got plenty more fun planned! Here's a sneak peek at what's coming up: lunchtime legends, more DIY sushi making, clay modelling, parachute games, and don't forget — we're hosting a Parent Afternoon Tea on Wednesday, 23 October in the afternoon. We'd love to see you there.

Thanks again for another great week. Wishing all our families a relaxing and happy weekend.
