

Dear Parents/Guardians,

Fitzroy Primary School is looking forward to another great year of teaching and learning and would like to advise you of Fitzroy Primary School's voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through Positive Futures Fund, Financial contributions, Fundraising or Volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to organise and coordinate the best possible programs outside of the traditional teaching and learning classroom structure. These financial contributions assist us with the purchasing of art, music and physical education equipment and resources, which in turn, supports them to be exemplary programs coinciding with our elite classroom teaching of the established subjects such as Reading, Writing and Maths.

Please find attached Fitzroy Primary School's voluntary financial contributions schedule for 2025, which includes an overview of what your contributions will help us to provide. Please note there will be no individual book packs provided to students in 2025. All necessary consumable items will be supplied directly to classrooms in bulk and will be distributed to students as and when they are needed.

OUR STRENGTH

Fitzroy Primary School is a culturally, linguistically and socio-economically diverse community who are united by the school's values of respect, empathy and courage.
