

# TAKE CONTROL OF YOUR FUTURE

SATURDAY 27 MAY 2017

## Are you studying Year 12? EXPLORE THE LIFE OF A MONASH IT STUDENT:

- **Participate** in exciting, practical workshops on programming and network security
- **Discover** the opportunities and possibilities available at Monash IT. Take a tour of our world leading IT facility\*
- **Hear** from business futurist, Morris Miselowski on future jobs in technology
- **Talk** to IT lecturers and Alumni about the course and what a career in IT holds for you
- **Meet** like-minded students from other schools.

Register now: [monash.edu/take-control-monash-it](http://monash.edu/take-control-monash-it)

### **CAVE 2: A 320 degree experience.**

CAVE2 is a next generation hybrid 2D and 3D virtual reality environment.

\*Spaces are limited for CAVE2 tours. The first 60 students to register will have the opportunity to visit this multi-million dollar immersive data visualisation facility.
