

St Pius X College Rugby Club Gala Dinner, 27 July 2024

Donations – Every contribution counts!

Engaging in organised sports offers numerous physical, developmental, psychological, and social advantages for young individuals. Participation in sports not only fosters resilience but also cultivates essential social skills crucial for navigating life.

The **St Pius X College, Chatswood** is preparing for its **Annual Supporters Dinner** to be held on **Saturday, 27 July**.

This is a key event for the **Rugby Club** and the main fundraising activity for the year. Our Rugby Committee members aim to raise significant funds to support our schoolboys during their rugby season.

Every donation helps! With your contribution, we can achieve so much. It doesn't matter the size of your donation; or what you have to donate - we appreciate your support.

Donations help us budget for many expenses throughout the season, including:

- Year 7 Rugby 'Taster' which encourages new students to get involved with playing school rugby.
- Contribution to a pre-season Training Camp.
- Access to external professional coaching to build and strengthen skills.
- Accreditation and training costs for Junior Rugby referees.
- Capacity to film and conduct detailed analysis of matches to provide valuable feedback and learnings to players.
- Senior College Rugby Training Jerseys.
- Contribution to the Opens Gold Coast Tour Kit.
- Touring Kit and expense contribution for Prep Firsts for TAS Armidale Tour.
- Provision of a Physio to travel with teams on overseas tours.
- Touring Kit for overseas tours.
