

2020 Parent Payment Charges

Dear Parents

Fitzroy Primary School has a system of combined payment for books/stationery and other essential supplies for students. The school purchases the required books and stationery at a bulk discount price to ensure maximum value for your money and provides all students with the same quality brands as their classmates.

Essential Standard Learning Items for students are a critical part of the school budget. Your payment for curriculum supplies enables us to provide the additional resources that enrich the education of your child. This includes:

Item	Specifications	Cost
Stationary Pack	All classroom consumables	\$110.00
French & LOTE Program	Classroom consumables	\$20.00
STEM	Digital Technologies	\$40.00
Performing Arts Program	Classroom consumables	\$20.00
Art/Craft Materials	Classroom consumables	\$20.00
Kitchen Program Supplies	Cooking ingredients	\$10.00
Garden Program Supplies	Resources and gardening materials	\$10.00
TOTAL		\$230.00

Note: Parents may choose to provide or purchase some items themselves. If you choose to do this you must consult with the school so that your child has the right items. There may be some items or services you cannot purchase yourself.

The combined Essential Standard Learning Items cost for 2020 is \$230.00 per student. Subsidies will be available to eligible families, as described below.

School Council has approved a subsidy of \$100 per eligible student towards the combined Essential Standard Learning Items costs for families with a valid Health care/Centrelink card. This means that ***eligible families will only need to pay \$130.00 per student*** for Essential Standard Learning items.

Optional Items

During the year, there will be a variety of camps, swimming, sport and excursion/incursions offered to all students. Each of these will have its own costs. If you hold a current health Care/Centrelink card you may be eligible to draw on the CSEF funds that have also been provided to the school for this purpose.

School uniform can be purchased from the Uniform Shop. Uniform costs cannot be covered by the CSEF.

Voluntary Contributions

Many of the programs and projects we are able to offer at Fitzroy Primary School are only made possible through our fundraising efforts and voluntary contributions. Please see attached page for an opportunity to make a voluntary contribution.

Positive Futures Fund

Our strength:

Fitzroy Primary School is a culturally, linguistically and socio-economically diverse community who are united by the school's values of respect, empathy and courage. The school's motto "inspired by learning" highlights the broad range of opportunities available to all students that identify and nurture talents and create pathways beyond the school.

Our goal:

To ensure that all students have equal access to the full range of experiences at Fitzroy Primary School, regardless of their socio-economic background.

An opportunity:

The Positive Futures Fund will be used to provide access to excursions, camps, uniform and school fees for all students. To achieve this, the school has established a means by which families who wish to make a voluntary financial contribution can do so easily, quickly and confidentially through Compass.

School Council thanks you for your support which will help Fitzroy Primary School maintain its innovative and dynamic learning environment.

Matt Willis
School Council President

Angela Richmond
Acting Principal
