

Open Day 2024

Saturday 23rd March

Open Day, just 3 weeks away!

Join the Murdoch University Community to help us celebrate Open Day on Saturday 23rd of March from 10am – 3pm.

Our beautiful South Street Campus will be on full display, inviting all future students, their families and supporters to explore their brighter future at Murdoch University. With a fun-packed program, there will be something for everyone on the day, including:

Explore our campus and facilities

Start your journey at Boola Katitjin – Building 360, winner of the world's best academic building announced at the 2023 World Architecture Festival in December. From Boola Katitjin, join a tour or two and access all areas whilst guided by an academic or student currently studying within that area. There are also self-guided opportunities, just follow the wayfinding signs to uncover hidden gems and amazing teaching spaces.

Live and Explosive

Don't miss our Live & Explosive interactive chemistry demonstrations, see more on the next page!

Meet our Academics and hear firsthand about our courses

Engage with our amazing Academics as they take you through what you'll learn and experience within your desired course. Hear about the hands-on, industry lead opportunities and work integrated learning that is included in all Murdoch degrees and discover where it can take you.

Discover our entry pathways

We have a range of pathway programs to prepare you for successful study at Murdoch. Our pathway program teams are here to help find the right program for you and how to apply, whether you are a Domestic or International student.

Learn about our amazing Academic, Access, Wellbeing and Equity Support Services

Learn about the academic support provided by the Peer Academic Coaches (PAC) and Peer Assisted Study Sessions (PASS) program. Both programs are staffed by friendly upper-year students who are excelling in their studies, and they are employed to help you make the most of uni too.

Meet the Access, Wellbeing and Equity services team. They provide medical, counselling, and accessibility services to students. They also run a weekly wellbeing drop in space with activities for you to connect with other students.

Attend information sessions

Learn more about studying at Murdoch University through our series of info sessions, designed to prepare you for university life. Topics include, Uni 101 – Everything you need to know!, What happens after I accept my offer?, Travel while you learn – Go Global! And Regional student support.

Regional Hub

Calling all regional and remote students and your families!

Come and join us for a tea or coffee and some light refreshments, whilst you attend one of our Regional Student Information Sessions. Hear and learn from some of our current students who are from regional areas and let us answer any questions you may have about relocating to Perth and commencing your studies.

Information sessions will be held at 10:30am & 12:30pm.

LIVE & EXPLOSIVE

Live & Explosive!

at Murdoch Open Day

Saturday 23 March 2024

See chemistry in action as light, noise and colour fill the stage. Join our technical team as they share the wonder and power of physical science.

Experience explosions using cryogenics and other gases, explore the world of solution chemistry and be amazed as everyday materials come alive with science!

Two shows available:

Show 1: 10:30am - 11:15am

Show 2: 1:00pm - 1:45pm

Bookings essential!
