Learning Enrichment Activities

Term 2, 2015

Middle School

13th April, 2015

Dear Parent/s,

Each term teachers plan, as part of our comprehensive curriculum, activities that enrich the learning experience for students. These activities sometimes incur a cost beyond that included in the annual curriculum contribution paid at the beginning of the year. Apart from extra-curricular activities such as Camps, Swimming and Wakakirri, it is expected that these will be the only curriculum costs for families this term.

Please find below the Term Two collection for enrichment activities for your child's class. This term we have also attached, for your convenience, permission notices for each of these activities.

PERMISSION SLIPS AND PAYMENT FOR THESE ACTIVITIES IS DUE ON FRIDAY 17th April, 2015.

Unfortunately students will not be able to participate in these activities if payment is not made.

Thank you for your cooperation.

Daniel Gooding

Dear Parents,

On Thursday the 18th June, Kilsyth Primary School will be having a whole school Virtual Excursion to Asia.

Students will actively participate in a computer generated live and interactive experience right here at school. They will travel down a Chinese market and see all the goods it has to offer. They will hear the language being spoken and witness firsthand the enrichment of cultural diversity.

The cost for this incursion is \$6.00.

Any questions or suggestions, please feel free to contact me at school or e-mail me on

wallace.kym.a@edumail.vic.gov.au

I look forward to seeing all students taking part on Thursday 18th June.

This excursion complements our topic this term 'As Time Goes By', looking at the history of our community, how things change and how some stay the same. The students' understanding of this era will be enhanced when they experience a taste of life in the old school room, make damper, tend the vegetable garden, participate in games from the playground, patchwork, sewing and lots more.
