COVID-19 Sport Safety

Introduction

St Peters Lutheran College has a responsibility to provide a safe environment for its workforce, volunteers and visitors. We will adhere to the current Government Public Health orders and follow the Return to Play Guidelines.

Health Hygiene

The following behaviours must be observed:

- Wash hands regularly with soap and water (where possible), including before and after training and games and especially after visiting the bathroom.
- Use alcohol-base hand sanitiser. We encourage all members of the community to bring their own sanitiser if they can.
- Sanitation stations will be provided at entry and exit points at venues where hand washing facilities are not readily available.
- Practice good cough etiquette - cover coughs and sneezes with your elbow or a tissue.
- Put used tissues straight into the bin.
- Avoid touching eyes, nose and mouth.
- Students to arrive in playing uniform as change rooms will not be accessible.
- Students are not to share water bottles, towels or other personal items.

Physical Distancing

- Follow social distancing rules – keep 1.5m away from other people where reasonably practicable
- Avoid handshaking, high-fiving, team huddles or hugging – instead give three cheers.
- The flow of spectators and non-essential personnel will be managed within the venue.
- Floor markings will be in place to maintain social distancing requirements.
- Parents/Carers to stop, drop and go or wait in their car if not permitted into the venue.

Facilities and Equipment

- Separate entry and exit points, closed areas, restricted access areas and separate participation areas will be created to minimise contact and maintain the required physical distancing.
- Signage will clearly state restricted areas, entry, exit and directional flow.
- Regular cleaning protocols have been established at all venues around the College.
- Training equipment and surfaces will be cleaned before each use and immediately after each session.
- Limited equipment sharing across groups, no sharing of personal equipment.
- Communal facilities such as change-rooms, showers will be closed.

Education and Training

All coaches, sport staff and parent support group members will undertake COVID infection control training.

Review

We will regularly review our systems of operation to ensure they are consistent with current directions and advice provided by health authorities.

BRISBANE SCHOOLGIRLS
ROWING ASSOCIATION

GYMNASIUM | COVID-19 SITE PLAN

Drop Off and Pick Up Points

- Players, coaches and officials are only permitted to enter the venue.
- Parents and school buses are to drop off and pick up at the designated areas during the specified times.
- Players are not to arrive more than 15min prior to the start time. At the conclusion of the match all players must vacate the venue immediately via the exit path to the pickup zone.

Entry and Exit Paths

- Please observe and obey all entry and exit paths as per map.

Site Registration

- All adults including coaches, officials, staff, parent spectators (opens only) and first aid officers must register their attendance at the registration desk.

Hygiene

- If you are displaying signs and symptoms of feeling unwell STAY AT HOME and seek appropriate medical advice.
- Those who display symptoms will not be permitted entry.
- Shower at home both pre and post-game.

- Come to the venue dressed in playing uniform. There will be no access to changerooms. Toilet facilities will be available. Players are not to bring any unnecessary equipment.
- Utilise the hand sanitiser before, during and after the game. These are located at the many sanitiser stations around the venue.
- Follow the displayed signage at the venue and social distance at 1.5m always.

Canteen Facilities

- No canteen facilities will be available.
- Water bubblers will be closed.
- Please bring own water bottles.

Venues

- Cleaning protocols will be in place at the venue.
- There will be an appointed COVID Officer at the venue.

Download the App

- We strongly encourage all members of the community to download the COVID Safe App to assist with contact tracing in the event of a contracted case whilst at the sporting event.
