

School Co-Curricular Surfing Program

CatchEm Action is a personalised surf facilitation service that provides all the necessary ingredients for kids to pursue their passion for surfing as a co-curricular sporting activity before, after or during school.

PICK UP AND DROP OFF

No more need to let distance from the beach get in the way of your child's passion for surfing, body boarding or even just sinking their toes in the sand. CatchEm transports your kids to and from the beach at your convenience so that you don't have to.

SUPERVISION AND CARE

Enjoy the peace of mind of knowing your child's having a great time doing what they love with an experienced and likeminded adult. Christian and his crew have years of experience surfing and working with kids. Check out The Catchem Crew page and see why your child is in great hands.
