Parent Help Sheet for Online Learning at Home

G-Suite/Gmail

Use Chrome Browser and have students sign into their school Google account using their school email.

Students will be able to access their Google Drive, Classroom and other G-Suite for Education apps

Student email is initial of first name then surname name followed by… @scelwood.catholic.edu.au

ncromie@scelwood.catholic.edu.au

Password: all students have a unique p/w they should know or details will be sent to parents via email for Prep-2 students.

If you require a change of password or you have forgotten it please email Natalie *Cromie.*

Zoom

Students can access the Zoom meeting using the link sent to their school email.

The email will contain the meeting ID and passcode.

Please read more information on the St Columba's Zoom Protocols available on Caremonkey.

Seesaw

In your browser, go to: https://web.seesaw.me/

Use the QR code or the student home code to access your class.

OR

Using an iPad download the Seesaw Class app and login using the same as above

More on how to access Seesaw for students:
https://docs.google.com/document/d/1yV3z4eGhHe3PqXu2Nk2bqSYln7bFb0PYCr9M9acScyo/edit

Prep-2 students will be given their codes during week 2
