At GOSH, we've been making our multicultural poster for the board. We have been discussing how we would like to celebrate our multiculturalism. We were using the multicultural books to share knowledge and experiences from other people around the world. We were also talking about our own backgrounds and it was interesting to see the children sharing their experiences in culture with their friends and educators. We have put up a "HOW TO SAY HELLO IN DIFFERENT LANGUAGES" poster on the board with the children's contributions on it. They drew the cartoons and chose what languages to put on it. This is a great opportunity for children to learn more about multiculturalism and experience a bit of each others culture.

## We've been cooking up a storm in OSHC

In After School Care we love cooking healthy, delicious meals and snacks from our Healthy Eating Cookbook. All the recipes in our cookbook support our healthy eating program and are officially endorsed by Nutrition Australia.

Hummus is a popular recipe from the cookbook, so we thought we'd share the recipe with you to try at home.
