

Clayfield College

Boarder Transport Application Form

As per the Clayfield College Boarding Handbook, the Boarding House does its very best to provide transportation to boarders with driving request outside of school hours which sit outside of the school's co-curricular activities.

Transportation is provided and prioritised to:

1. Student health appointments;
2. School co-curricular activities, school events, and work experience; and
3. Representative sport, including students who participate in the SHINE Program for their prospective sport, and creative arts.

Beginning and end of term boarder travel day airport or bus pick-ups and drop offs for students are always attended to.

We do not drive students to club sport, unless approved by the Head of Boarding, and out of school activities, personal shopping, or beauty appointments.

If you wish to request for your child to be transported to an event outside of school related activities, please complete the form below and email to boarding@clayfield.qld.edu.au two weeks prior to the request. You will be advised of the outcome of your request.
