POSITION DESCRIPTION: MCCFC Head Coach

About the club

MCCFC is one of 14 sporting sections of the Melbourne Cricket Club (MCC) based at Beaumaris Secondary College (BSC) boasting elite football facilities used for the development of women and girls in football. Established in 2018, the Club is current premiers of the Victorian Amateur Football Association (VAFA) Women's Division 3 competition. As a premiership winning club embarking on a journey into higher grades we are now looking for an exceptional candidate to help expand, grow and continue building a club that is strong, positive, diverse and respectful.

The opportunity

This is an exciting opportunity to join to join a young, dynamic club with links to the largest Sporting Club in the Southern Hemisphere. Having experienced premiership success in 2022 we are looking to aggressively grow our club with a view to expand to the next level.

This position provides unique opportunities to build significant feeder talent pipelines. The successful candidate will enjoy close links with Melbourne Football Club, who will provide ongoing guidance and support, particularly via mentorship and a close working relationship with their VFLW coaches and program. There may exist opportunity to further expand your own coaching skills and experiences, via professional development sessions facilitated by both MCC and MFC.

This is an outstanding position for coaches who are seeking a career in and are passionate about the growth of women's football.

About you

You must have:

- A good understanding of Australian Rules football and an interest in developing players' technical football ability (minimum level 1 accreditation, level 2 preferred)
- Strong communication and organisational skills
- Commitment to our club values of building a club that is strong, positive, diverse and respectful, known for excellence in everything we do
- A valid Working with Children Check (or agree to obtain one).

To apply

Applications or queries should be directed to melbcricketclubfc@gmail.com.
