Between Covers Book Club Challenge

Your challenge is to read as many of these book challenges listed as possible.

Write down the title and author of each book you choose and the date you completed (finished reading) it.

The challenges can be completed in any order.

Try not to choose the same books as other students - you can select from your home collection or another library.

Comments can include a score out of 10, how much you enjoyed it and/or recommendations for others.

The last challenge is to write a book review of one title – you can do this at any time.
